School Performance Fact Sheet

The Energy Medicine University M.S. and Ph.D. program is new. No student has of 2009 received a degree diploma from this institution. The field of Integrative Holistic Health as a standalone profession is relatively new in the health care professions. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

From PayScale:: http://www.payscale.com/af/about_payscale

The typical Salary for a Scientific Researcher in California is \$49,371 - \$95,699.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, or starting salaries, this fact sheet contains the information as pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education P.O. Box 980818, West Sacramento, CA. USA 95798-0818. Telephone (916) 574-7720.
