Application and Admission Requirements for the Non-Degree Certificate Program

ADMISSION TO THE CERTIFICATE PROGRAM

Applicants must meet the general admissions requirements of the University, as well as specific requirements of the Certificate program. General requirements: Fluency in computer, email and Internet usage and current Microsoft Word program. Fluency in the English language. Access to college-level library resources.

The Certificate Program is open to non-degree and post-doctorate students. Certificate students may choose to take one course or many. If an Integrative Holistic Health Certificate is the goal: the Certificate program is 18 semester credit hours. EMU offers two five-month semesters per calendar year commencing the first of September and March. Students may enroll in one or more courses per semester.

Each of the six courses earns 3 semester credits. Certificate program requirements are satisfied after completion of 18 credits of coursework. Tuition is \$400 per credit unit; plus application and registration fees.

Upon advisement of the Dean, for matriculating students, certificate coursework may satisfy degree electives. Note: Admission to the degree program is separate from enrollment as a non-degree/certificate student.

APPLICATION TO THE CERTIFICATE PROGRAM CHECKLIST

The following items are required from each Certificate Program applicant for the admissions process:

- __1. Submit completed admissions application (see last pages of school catalog) with \$100 check or money order. This is a non-refundable application fee.
- __2. Submit two recent passport size photographs for student ID card.
- __3. Official transcripts postal mailed from the institutions of completion:: High School diploma, AA, college, University, diplomas, courses, or other post-secondary education. Applicants must be high school graduates or have the equivalent education as indicated by a GED, diploma, and evidence of other post-secondary or vocational education.
- __4. Autobiographical statement: A narrative letter of introduction describing your academic and career goals as well as your personal interest in the field of Holistic Health/Energy Medicine. Or a description of your established competency in a Holistic Health/Energy Medicine specialty as a professional career, educational study, or mentorship/internship program. This is given to your Professors as an introduction.
- __5. Submit current resume or curriculum vita.
- __6. Submit academic writing sample.
- __7. Request: Two letters of recommendation from people who have direct knowledge of your academic and professional performance. These letters are to be sent directly from your sponsors to EMU. Please give the "Recommendation and Letter Request Form" found on the last page to each of your sponsors.
- __8. Interview with the Dean in person or via telephone.
